

BUILD STRENGTH WITH INSULATING CONCRETE FORMS (ICFS)

TUESDAY, OCTOBER 15TH

**HOST: COLORADO READY MIXED
CONCRETE ASSOCIATION**

**ADDRESS: DOUBLETREE BY
HILTON - DENVER
3203 QUEBEC ST.
DENVER, CO 80207**

Register online at <https://crmca.memberclicks.net/build-strength-icf-town-hall#/>

EVENT DESCRIPTION

Learn to make money and grow your business using ICFs. Explore the tips and tricks of the trade as we walk through the ICF Construction Process and answer any questions you may have about the technology. ICF construction is becoming more popular in Colorado - come discuss details with industry experts!

AGENDA

Presentation: **10:00 AM – 2:00 PM**

Break for lunch, which is included

If you have questions contact Emma Dolan
303-270-9902 or emma@coloradocaa.org
