

2022 Safety Innovation Award

Annually the CSSGA seeks nominations for our Safety Innovation Award. This award recognizing the outstanding production employee who has made superior innovative contributions to his or her company regarding safety efforts. The goal is to share best field practices throughout the industry.

NOMINATION CRITERIA

A. NOMINATION PERIOD

➤ The safety contest will cover the period from **January 1** through **November 1**.

B. REQUIREMENTS

- Nominee must be a Production Employee:
 - Mine/Plant Personnel - Laborer and On-site Management
 - Transportation to Mine/Transportation to Customers (Company vehicles)
 - Mechanics, Service Men/Women, Welders
 - Quality Control
- Nomination form
- Minimum of 2 pictures required

The winner(s) will receive the award at the Annual Conference’s Awards Luncheon at the Broadmoor Hotel on November 19.

If you would like to nominate someone for this award, you can do so by completing the form below and email to jt@coloradocaa.org no later than November 16.

Please do not overlook this chance to nominate your workforces’ innovative ideas.
